CPI, ITL, Creator, Glory, HID, Reiner, Advantech, Zebra, Justtide, SNBC, etc.

Q2: Can you do Kiosk design based on end user requirements?
A: Yes! We can do 3D drawing design based on customer requirements. Besides, we have our own painting house that can ensure better lead-time control and provide better and quicker customization service.

Q3: What is the lead-time for my order?
A: For self-service Kiosk, usually 25-35 days depend on the quantity.
For digital signage Kiosk, usually 7-25 days depends on enclosure design.
For embedded touchscreen monitor, usually 3-10 days depends on quantity.
For Industrial PC, usually 20 days depends on quantity.

Q4: What is your warranty policy?
A: 1 year warranty for most of the products (based on the model), three years of free maintenance. We also provide 3 years free replacement warranty for industrial PC.

Q5: Can we send you specific module to integrate into our kiosks?
A: Yes! We accept modules sent by customer to our factory, or you can let us know the brand, our engineer and sourcing team will provide professional suggestion.

Q6: What is package of your product?
A: All Kiosk products will be wrapped with pearl cotton and packed in wooden boxes with pallet.

Q7: What is the MOQ requirements? Can I order a sample to check the quality?
A: Yes! We could accept sample order even for 1 unit. Because we have our own painting house and multiple enclosure CNC productions.

Q8: Can your products pass CE/FCC certificate?
A: Yes, all the Kiosk products are with CE and FCC certification.
